Introduction by **Jane Davidson** ex-member of the Senedd - creator of the first Sustainability Law and author of **#futuregen : Lessons from a Small Country**

Only Boys Aloud is a choir for boys aged 11-19 in Wales that provides free, non-auditioned rehearsals to boost confidence and provide positive role models, also aiming to preserve the Welsh tradition of Male Voice Choirs. The concert features 12 senior members of Only Boys Aloud.
